

2019 Best VPHi-InSilicoTrials PhD Thesis Award in In Silico Medicine with application in industrial R&D

Rules and submission guidelines

InSilicoTrials, industrial member of the Avicenna Alliance, in collaboration with the VPH Institute will assign the “2019 Best VPHi-InSilicoTrials PhD Thesis Award in In Silico Medicine with application in industrial R&D”. Thanks to the support of InSilicoTrials, this initiative, instituted for the first time in occasion of the VPH2018 conference in Zaragoza, has now been consolidated as a permanent annual initiative. Its goal is to reward individuals for outstanding achievements during their PhD thesis, specifically focusing on the translational aspects of their work, like:

- addressable market
- product development phase that would benefit from the model/simulation
- IP ownership
- patentability
- industrial use readiness

The award consists of a money price of **1.000 €**. The winner will also be invited to give a lecture at the upcoming **VPH Barcelona Summer School** that will be held from the 10th to the 14th of June in Barcelona – UPF.

An ad hoc award committee, composed by both academia and industry representatives, will be established to evaluate the submitted work.

Participation rules:

Only theses defended between 1/1/2018 and 31/12/2018 will be considered for the award. Each participant will have to submit:
